3rd February 2010
Longtown residential – Year 3 and 4

Dear Parent/Carer,

Each year we offer the children in Year 3 and 4 a short residential experience at Longtown Outdoor Centre, this has been highly successful and enjoyable for the children in the past and incorporates two days of activities (these are different from the day visits) as well as an overnight stay in the centre, this is ideal preparation for a longer residential in the future.

We will be attending the centre from Thursday 6th May until Friday 7th May 2010. The overall cost of the residential is £95 which includes all food (packed lunch for the first day so we get longer activities, transport and accommodation). Children are accompanied by school staff as well as the instructors at the centre.

To secure a place please return the form below with a deposit of £20 (non-returnable), the balance of the rest can then be paid in instalments if you wish (as long as the balance is paid by Friday April 30th).

Please return all forms and deposits by Friday February 12th to the school office.

Should you have any questions, queries or worries please contact Mr Batstone.

Kind regards

Lee Batstone
Head teacher

I wish my child _____ to secure a place on the Longtown residential from May 6th to _____
th 2010. I enclose a non-returnable deposit of £20.
