

What has worked well?

Using the pizza oven in legacy garden - the pizza was delicious.

Having Forest School with Mr Batstone for a whole day each week.

Presenting our work using double page spreads. It made us want to try harder with our sentences, handwriting and layout.

Learning about the bees – we all love bees and try to rescue any we see in danger!

Our mark making dictionaries.
We all enjoyed doing this every week.

We enjoyed writing stories for Reception. They were good to spread the message about Plastic pollution.

Art with Mrs Blaker. We have enjoyed using different materials and loved the bees and seahorses. It was great when she taught us to finger knit.
Draw with Rob was fun to do and we all felt proud of our work.

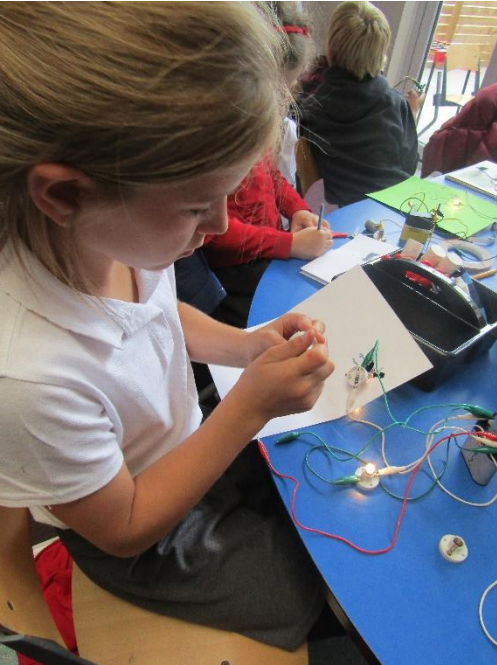

Working with different people for PE. We liked Mr Thomas' sessions.

We loved the rocket workshop with the Royal Navy. It was exciting and some of us Are inspired to want to join the Royal Navy.

Sports Day with the whole school.

Learning all about plastic pollution and how we can change to make a difference.

What has challenged you?

Learning about different religions.
It was hard to understand why people believe different things and why there are different gods.

Learning at home. Sometimes we didn't get enough help to understand new things.

Learning a new language – French.

Learning the oceans and continents and where they are on a world map.

Learning the names and properties of different shapes and having to remember them!

Learning the signing

What has surprised you about your theme?

How much we cared about looking after the planet
And to try and stop plastic pollution.

About how many different bees there are in the world
And about how important they are. We all love bees!

That children can make a difference and make change happen.
We learnt about Greta Thunberg and have seen the changes we
can make too.

Seeing images of animals being tangled in plastic. They were
very sad to see and we were surprised how this happens.

What helped you learn?

Our teachers.

Our parents when we were at home.

Seesaw!

Small groups for maths.

Forest School with Mr. Batstone.

Reading – we read lots and learnt about different authors, our theme and different topics.

Even better if...

We could have visited the beach for a litter pick.

More ICT – more workshops with Mr Sanderson.

What has been the most memorable aspect of your learning?

- *Forest school challenges
- *Sports day
- *Our artwork – we were proud of the outcome and enjoyed exploring the different materials.
- *Writing double page spreads!
- *Learning about and rescuing different bees. We also enjoyed bringing in the bees that had died.
- *Seeing images of suffering animals in the ocean because what humans do and how much plastic we use.
