

# Class 5 Curriculum Update

Friday 17<sup>th</sup> December 2021

Monthly values – 'Hope' and 'Determination'

## We wish you a merry Christmas!

Season's greetings to you all! I hope you are all keeping well and ready for Christmas? It has been a very busy few weeks in December with lots of Christmas activities alongside our usual learning opportunities.

Thank you for fitting around the different arrangements this week especially. It was great to have our Christmas party at Forest School in the dark! It really was a fantastic sight seeing the forest lit up with their torches. On Tuesday, Mrs Blaker and I were both very proud of the class as they sang Christmas Carols to Madley craft group. They all gave a fantastic performance and demonstrated the true Christmas spirit of doing something for other people's benefit. The craft group were extremely delighted and wanted to book them up for additional performances! Well done everyone.

Christmas dinner was enjoyed on Wednesday and followed in the afternoon with Year 5's version of Madley's Got Talent. We were treated to several excellent acts and grateful to all who were brave enough to perform for the class. Congratulations to everyone who took part. We have also been thinking about the Nativity story and how Jesus was regarded as the 'Messiah', someone who would save everyone. We also looked at the Christian understanding of 'peace' at Christmas.

Each child should hopefully have brought home several other decorations and Christmas cards over the last few days. I truly hope you all have a safe, peaceful, enjoyable and restful Christmas break. I look forward to seeing you all in 2022!
