

WFH - April 27th - Short burst and other ideas

Hello all.....

Hope you had a lovely weekend. Curriculum updates will be posted tomorrow (Tuesday) on the school website under 'children' then 'year groups' then your child's class and the 'working from home' link.

Short burst

Please find attached the photo for short burst this week. We would like you to write some inventive newspaper headlines (you might want to investigate the differences or similarities between tabloid and broad sheet newspaper headlines as well).

Father Christmas discovered living in Colchester !

Illegal parking of reindeer causes local storm

Parking tickets issued to reindeer

Outcry as Santa's reindeer incur huge parking fines

What other headlines can they think of ? Can you write a newspaper article to go with your headline ? Can you create and produce your own newspaper for this whole time ?

Resources/paper

If you are running low, and can safely get here, we have put paper in the entrance hall. Please only take 1 pack per child.

Support

If you need support with anything, and we can help, please contact admin@madley.hereford.sch.uk. There won't be an immediate response but it is checked daily and regularly. Please don't phone school as the phones are not manned and adults in school are away from the phones the majority of the time.

Keep sending in that work, it is forwarded to staff and they enjoy seeing it.

Other resource links -

[BBC iPlayer](#) has many educational and arts and culture videos available for free.

Carol Vorderman videos and worksheets for [maths lessons](#).

Cartoon lessons on YouTube with [Pete McKee](#).

[Read Write Inc](#) has its phonics videos on YouTube.

[Coding for kids](#) daily lessons.

Daily lessons including phonics on [Twinkl TV](#).

[English National Ballet](#) with live ballet lessons.

[Minecraft: The Education Edition](#) is popular with children already – these resources all have an educational purpose.

[Book Club](#) has free activities and games, mostly aimed at primary pupils.

Ideas for EYFS pupils or siblings from [ABCdoes](#).

Look at nature all around the world with [Explore](#).

[Audible Stories](#) has made all of its classic children's stories free.

Watch [science experiments](#) with Colorado University.

For music lovers, there is a 21-day free trial to learn an instrument with [Prodigies Music](#).

Explore the world with videos capturing activity all over the planet with [Project Explore](#).

[Quaver Music](#) has free school closure activities for students learning at home.

On Twitter, Patrick Stewart ([@sirpatstew](#)) is reading a sonnet a day.

The [FitNut](#) has free PE resources for nursery and primary children.

The [National Association of RE](#) teachers have provided free RE resources.

[News Mag Media](#) have made their content free. Great for supporting children with their non-fiction reading.

More than enough for today.....

Best wishes

Mr Batstone
