

# Friday March 27th - WFH

Dear all (Parents and children),

Hope you are all well and you have nearly completed your first week of working from home, as a 'treat' you can have the next 2 days off !! Hopefully everyone is bearing up well and you have some sort of routine/timetable established.

## WFH ideas

- On Monday there will be some more from teachers and they are setting some work on Education City (when it works), Spelling Shed and you can do TT Rock Stars yourselves. Remember to limit screen time and have school/pleasure screen time separately.

- **Friday Afternoon Workshops** - these normally take place today when we have various practitioners who come in and teach the children different skills. The focus is still about learning - you could do your own (cooking, construction, Irish dancing, running, gymnastics, table tennis, badminton, forest school (outdoor learning), sewing, drama (Drama Geezers on Twitter gives good ideas), street dance and art), make the end of a difficult week different. Share (if appropriate on Twitter @MadleyPrimarySc).

- **40 reads continues** ! Please continue to read at home with an adult and record your reading in your reading record book so when we return to school you can claim your 40,80, 120, 160 reads.

- **Maths challenge for older children** - using a calendar can you work out the dates when you could first claim 40 reads ? 80 reads ? 120 reads ? 160 reads ? What are the most reads you could do in a year ? (RULES ARE - Monday - Friday counts/weekend is one read and the holidays are one read only. You will need access to a calendar and the term dates (school website).

- **Values** - loved the values challenge that a family did yesterday in their local community and shared on the Twitter feed. And you could hear the clapping and appreciation everywhere at 8pm last night for all those people who are doing an amazing job in the NHS and other frontline services (and we know there are lots of you who are parents at school - 'thank you'). Why not design a poster to put in your window to say 'thank you' to all those people who are keeping the country going, keeping us safe and looking after us.

- **Learning Journey** - why not start your own at home to document what you have been doing and learning.

**Spelling challenge** (you can challenge your parents as well) - 2 minutes to make as many words, spelt correctly, of 3 letters or more from the following letters (use each one once) - what is the longest word possible ?

e t r d e j l r i n g s s t  
e a c v

Have a lovely weekend and more on Monday before the Ester holidays !!

Take care

Mr Batstone
