

# Monday 4th May - short burst

Hello everyone,

Updated Curriculum Updates will be on the school website from tomorrow. This would have been the week of The Malvern Spring Show (our garden design and build), Hereford River Carnival and also Year 3 and 4 Longtown residential ! It would have been an interesting, busy and 'full on' week. We will reschedule Longtown for when it is safe to go (I have been talking to them already), we will also sort out payments, refunds etc when we return to school properly. Friday is a bank holiday to commemorate VE day (you may want to do some work around that and what it meant to our country).

## **Short burst**

Attached is the photo for this week to inspire ideas.

**Simple idea** - write a conversation between the two characters (re-enact it as well to help develop your ideas).

## **Extended ideas -**

Do your own version to photograph and send to school ([admin@madley.hereford.sch.uk](mailto:admin@madley.hereford.sch.uk)).

Create your own animated story (if you have the resources available).

Create your own book either by drawing, photographing or 'live' by moving your characters and telling the story.

Create a piece of art work by sticking the stones/natural materials to paper/card/a canvas or a piece of wood.

Create a natural scene for each of our school values.

Or come up with your own idea .....

Good luck.....

Regards

Mr Batstone
