

BEE-HOLD UN-BEE-LIEVABLE NEWS AT MADLEY!!!!

On the beautiful Friday 21st June, Madley Primary School, who have a well-deserved Forest School and 10 Green Flag Awards, will be delivered an amazing colony of bees with its majestic, passionate queen bee.

The staff of the lovely school have persuaded the head master (Mr. Batstone) to do a course at Wye Valley Bee Keeping Association. They have also arranged to have the bees delivered at Comets Meadow at 09:30 AM on 21st June.

These staff are called Mrs. Lee, Mrs. Marlow, Mrs. Corrick and Mr. Batstone.

Don't worry 'Bee' happy.

Day one of the bees was an exciting event!!! For the first day, the bees were calm and gentle when moved. They seem to be happy where they are. The kids are very excited to see them and cannot wait to see them. Duncan, who was very kind and caught the swarm, dropped it off at Comets Meadow at 09:30 AM. Duncan was happy to help school and said that, "I think it is very important for young people to learn about bees and other pollinators and the natural world around us in general."
