

You are viewing a box camera that has been around for many years and has captured many memories.

I think that you need to buy this amazing, exciting camera. Of course, you think it is just an ordinary camera but it is very magical because there are wonderful, inspiring pictures hidden within. This well sought after camera has been flotsam for years and is now waiting to have its images exposed. Have you ever wondered what you might find at the bottom of the sea? This camera is the key to finding out. From the gangster, reading octopi to the large, dancing star fish you will be entranced by the unusual secrets contained within the box camera.

The magic hidden inside will make you no longer want your iPhones and Samsung galaxies. You will be wanting the excitement of a box camera and this can be yours with a simple bid (the starting bid is £2.99). So don't miss out and bid now!

At first glance, you see a rusty, old camerak.
