

- ★ All that lovely bubble making made me wonder something ...
Do different shaped bubble wands make different shaped bubbles?
- ★ Could you do an experiment and find out for me?
- ★ First, we need to make some bubble wands ...

How to make a bubble wand

What you need:

- 4 wooden lolly sticks or 4 pencils
- 4 pipe cleaners

What you do:

1. Bend each of the pipe cleaners to make a shape - a square, a circle, a rectangle and a triangle. Make sure you leave about 5cms at each end of the pipe cleaner free.
2. Twist the pipe cleaner at the base of the shape.
3. Split the free ends of the pipe cleaner and twist these tightly around the end of your lolly stick or pencil.

Now, let's get experimenting!
