

Session 3 Extension - Descriptive writing

Choose between describing the scene of the girl in space or under the sea.
Write 3 or four descriptive sentences to describe what she sees. Look at the examples below to see the expectations of their sentences.

The bright moon was in the sky and the silver stars were shining.

The dark sky was black and it was filled with millions of stars.

There was an alien in a spaceship and he was heading to Mars.

The brave astronaut sat in his rocket and he was wearing a white space suit.

There was a shooting star and a meteorite shower.

Success Criteria

- Capital letters
- Finger spaces
- Full stops
- 'And' to join two ideas together
