

The Magic Bubbles

First listen to the story read by myself. You can find the video clip on our Madley TV page.

For this session you are going to write a poem using the story as inspiration. Notice in the story that the author describes how bubbles move. E.g. bubble wiggle, bubble bop, bubble drift, bubble lift etc.

Come up with your own words to describe how bubbles move. Create a list of these to create your poem. I would aim to create a list of eight.

For example:

*Bubbles prance,
bubbles dance,
bubbles float,*

Extension:

*Can you add descriptive words to your poem e.g. Smooth bubbles dance,
Can you even make your poem rhyme?*
