

Class 6 weekly curriculum update

18th January 2021

Value: Peace and friendship

Thank you all for the wonderful work that I received last week and for the messages and comments, which you sent with your work. I am extremely aware that you may be unable to complete online work sometimes so please do not worry if you do not send work in until later in the day or even the evening. Also, if there is something that you missed doing last week, you do not need to go back and do it now – just move ahead with the work set each day this week. I would like to see your history project though!

Whilst you have been adapting to learning from home again, I have certainly learnt a lot about using Seesaw and can now even enlarge images so I should no longer need to ask you to resend pictures unless they are out of focus. Unfortunately though, due to a change in the system, I am now unable to “send work back”, which means I must ask that you always read my comment and respond accordingly, especially if I have asked you to redo something.

You will also notice that I refer to a Guided Reading Leaflet and your maths homework book – you will receive both of these items in a white envelope over the next few days, ready for Friday’s lessons. These may be delivered by hand, or posted, but either way, please keep each item safe and I will tell you what you need to do with them.

In addition to the daily maths and English tasks, I will be setting the following work for this week.

Monday	Science
Tuesday	Theme and PE
Wednesday	Theme and Forest school
Thursday	Science and RE/PSHE
Friday	PE and Music

Maths:

We are a day ahead of the WRM schedule as the children completed some combined lessons last week.

<https://whiterosemaths.com/homelearning/>

18.1.21 Progress test on decimals

19.1.21 Understand percentages

20.1.21 Fractions to percentages

21.1.21 Equivalent Fractions, Decimals and % (FDPs)

21.1.21 Work set from maths homework book

Daily Tasks:

15 minutes every day on TT Rockstars

15 minutes every day on Spelling Shed

At least 20 minutes every day reading in addition to any reading tasks set. Please remember to update me when you change the book that you are reading.

English:

18.1.21 Plan a spy story using planning sheet

19.1.21: First draft against a given checklist

20.1.21 : Edit & rewrite based on feedback

21.1.21: Spelling activity from Oak Academy

22.1.21: Guided Reading “All About Mice”

As part of our theme work this week, I will be tasking you with finding out about the different gadgets used by spies throughout history and to making your own gadget linked to your science work on light, after watching another of the great Oak Academy lessons. We will also be linking Friday’s PE session to music, which should be fun for everyone to do. For all of the lessons though, please make sure that you read the instructions very carefully.

Please contact me either via a note on Seesaw or admin@madley.hereford.sch.uk if there is anything at all that you or your parents wish to discuss regarding your work.

Best wishes for the week ahead, Mrs Lacey.
